WHO ARE WE?

MISSION

We deliver educational excellence, through innovative teaching, producing life long learners who demonstrate leadership, creativity, sustainability and community awareness. Our school provides a passionate and nurturing environment to achieve these outcomes.

VISION

To create an educational and community-focused organization that helps children reach their fullest potential, whilst making vital contributions to the Harbour Island community.

CORE VALUES

LOVE OF LEARNING · COMMUNITY · SUSTAINABILITY · LEADERSHIP · CREATIVITY

FLAGSHIP PROGRAMMES

Green Friday

Students are immersed in environmental initiatives such as oceanic research, sustainable farming, and the implementation of sustainable waste management.

Theater Program

Students are able to develop as leaders and connect with our heritage and culture. The program gives students an opportunity to explore diverse perspectives and situations.

Special Services

The Special Services Division is a new unit created to support students in meeting their fullest potential through different mental health and special education services.
